

LEIAS 5K-9 RUN SPONSORSHIP

We invite you to participate as a Sponsor of the LEIAS 5K-9 Run hosted with Squadron-16, that will be held on November 3rd. This event will raise money to go toward Urgent Animals of Hearne’s vet bills and to help the costs of fostering animals. In order to make this event possible and successful, we are in need of sponsors. This event will be fun for all ages, including our four-legged friends!

Your sponsorship will help to offset the cost of organizing the event. Funds received from sponsorship will be used to purchase t-shirts for organizers, as well as snacks and drinks for race participants. Any additional money will go towards our goal of raising \$10,000 for Urgent Animals of Hearne. In addition to monetary donations, we are also accepting items for door prizes, as well as silent auction items. Dog toys and dog treats are always wonderful donations to be given to our four-legged participants as well.

There are various levels of sponsorship for the 5K-9 Run. Size and placement of logos on t-shirts and flyers are based on sponsorship level. All donations are accepted and do not have to fall under a specific sponsorship level.
